FOR IMMEDIATE RELEASE: Volunteer Receptionists Needed at the Senior Center

July 23, 2018

Sierra Senior Providers, Inc., the nonprofit organization that operates the Sonora Senior Center, is recruiting volunteer receptionists. The Senior Center is home to many senior services, programs and activities, including: Meals on Wheels; senior lunch program; firewood for home heating; health and fitness classes; games; crafts and more. The facility also is available to rent for meetings and events. While SSPI always welcomes new volunteers, the need is especially pressing during the summer months for vacation coverage.

The Senior Center's receptionists welcome the 175-plus guests who visit the center daily. Receptionists also answer the multi-line phone, assist with new-client intake, provide community-resource information, check in lunch guests, and help with other clerical tasks. The Senior Center is open Monday through Friday (except holidays) from 8:00 a.m. to 4:00 p.m. Volunteer receptionists are asked to commit to at least one four-hour shift per week. Interested volunteers may contact CEO Leon Casas, Jr. at (209) 533-2622, extension 11, or lcasas@sierraseniorproviders.org.

Other volunteer opportunities are also available, including Meals on Wheels drivers and kitchen assistants. For more information, contact: Meals on Wheels Coordinator Kelli Kleinhans at (209) 533-2622, extension 12, kellik@sierraseniorproviders.org; or Nutrition Manager Michael Deason at (209) 533-2622, extension 15, mdeason@sierraseniorproviders.org.
